Dublin Town Hall, Basement, 1120 Main Street, Dublin, NH 03444

What is Community Power?

New Hampshire cities, towns, and counties can become **default electricity provider** for their residents + businesses and provide related services.

Pooled Purchasing Power
for **Energy Supply**

Utility Company
Delivers Power

Communities Benefit from
Value Added Services & Programs

Economies of Scale

Grid Reliability

Lower Rates & Product Choices

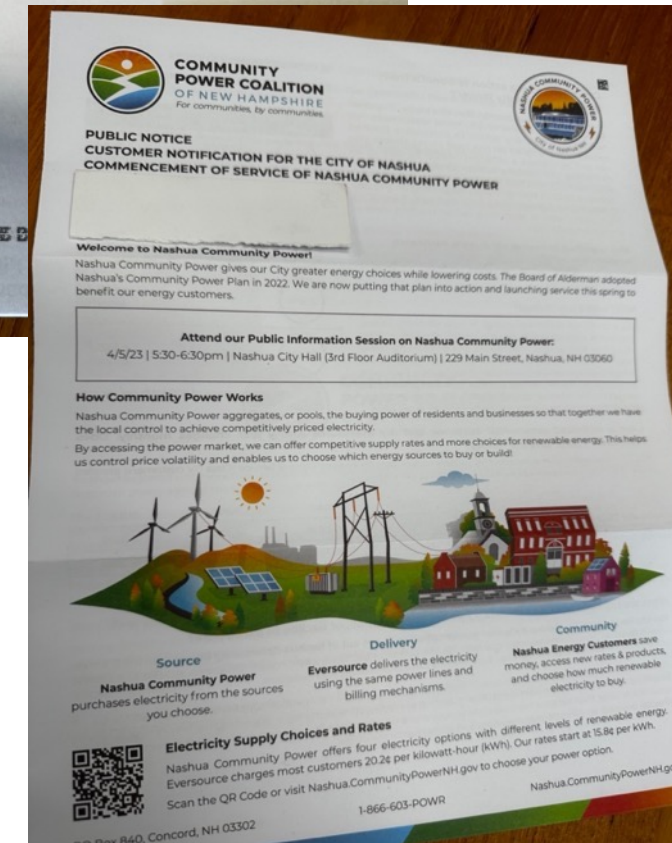

[RSA 53-E, Relative to Aggregation of Electric Customers by Municipalities & Counties](#)

Customers may switch back to utility default supply or take service from a Competitive Supplier

Community Power programs must be paid for out of revenues received from participating customers

Customer Notification and Enrollment Process

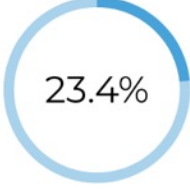

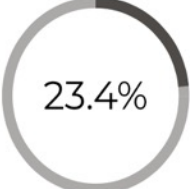

- ⚡ At least **30 days before program launch** all **electric customers will be mailed notifications** including the initial fixed rate for Community Power service compared with Eversource
- ⚡ Customers on Eversource default energy service **able to decline participation or “opt-out”** by calling 1-866-603-POWR, contacting info@CommunityPowerNH.gov ; or visiting www.CommunityPowerNH.gov
- ⚡ If a **customer is already getting their power from a competitive supplier**, nothing will change unless they choose to **“opt-in”** to Community Power.
- ⚡ **Eversource will continue to deliver electricity** using their poles and wires, provide billing services, and ensure reliability.
- ⚡ Rates posted at least 30 days in advance; customers can switch supplier at next meter read upon request with **no penalty or exit fee**.
- ⚡ **Community Power is self-funded** by rates paid by participating customers. **No taxes will be used to cover program expenses.**

Process to Join Cheshire Community Power

- ⚡ Any municipality within the county may, by majority vote of their governing body pursuant to RSA 53-E:6, request to join Cheshire Community Power by adopting and submitting the resolution provided below to the County Commissioners for their review and approval:
 - *Resolved, that we hereby commit the **Town of [INSERT]** to join Cheshire Community Power to provide default supply service on an opt-out basis to retail electricity customers within the Town's boundaries, pursuant to RSA 53-E:6(I), understanding that the Town may appoint a representative and alternate to the Cheshire Community Power Governance Council to support joint oversight of the program, and continuing hereafter, or until such time as the Town elects to form its own Community Power Aggregation program, as provided for in and subject to the terms of the County's Electric Aggregation Plan, inclusive of the requirements and considerations for municipalities afforded therein under Attachment 10: Cheshire Community Power Governance Council, as amended from time to time hereafter.*

Cheshire EAP Attachment 10

Cheshire Community Power Governance Council

- ⚡ Joining towns appoint voting representation to **Governance Council**
 - Establishes transparent, participatory, flexible decision-making structure for mutual advantage of the participating municipalities and the County.
- ⚡ **Governance Council** duties and function:
 - Ensure engaged and informed governing bodies of participating communities
 - Encourage and support expansion of program to interested communities
 - Designating individuals for the County Commissioners to appoint as the representatives and "Authorized Officer" to CPCNH
 - Authorizing individuals to serve on committees of CPCNH on behalf of the program
 - Recommending amendments to the Electric Aggregation Plan for consideration by the County Commissioners
 - Approving the withdrawal of municipalities from the program that have subsequently elected to implement their own Community Power Program
 - Assuming additional duties at the Council's discretion to develop and enable voluntary, cost effective, and innovative solutions to local needs with careful consideration of conditions and opportunities across the County pursuant to this Electric Aggregation Plan

Community Benefit: Savings + Reserves

- ✦ Cheshire Community Power creates savings, rate stability, value for customers by developing beneficial local energy projects and programs
- ✦ **>\$20 Million in value** in CPCNH's first year (Apr – Dec 2023):
 - **~\$10 Million** in immediate customer bill savings
 - **~\$10 Million** in community reserves for long-term benefit

Cheshire Community Power sets rates with the objective of saving you money and offering at least one supply option at a discount relative to your utility supply rate (along with 'opt up' choices). Most utility rates are set from February 1 to July 31, 2023. Our default rates will change for the next utility rate period, scheduled from August 1, 2023 through January 31, 2024.

Rates are set through Community Power Coalition of New Hampshire, the public non-profit governed by NH cities, towns and counties, including Cheshire County. All future default rate changes will be publicly noticed at least 30 days in advance at

[CommunityPowerNH.gov](https://www.energy.nh.gov/engyapps/ceps/shop.aspx) and at:

<https://www.energy.nh.gov/engyapps/ceps/shop.aspx>.

Long-term Benefits

Streamlined Access, Minimize Regulatory & Admin Burden

Cheshire shoulders administrative and regulatory approval burdens on behalf of participating towns.

NONPROFIT

Generating Member-owned reserve funds to keep rates stable low over time, and to reinvest back into benefiting Harrisville.

LOCAL CONTROL

The Coalition is managed and overseen by Member Counties, Towns, Cities.
We have representatives on CPCNH Boards and Committees, ensuring our interests are represented and our voices heard.

COMMUNITY INTEREST / PROSPECTS FOR CLEAN LOCAL POWER

Our Coalition power agency responds to our interests, expands prospects for local power generation, and gives a stronger voice in state policy.

Community Representation

- ⚡ Cheshire joined 33+ other cities and towns to create our own locally accountable nonprofit power agency: **Community Power Coalition of NH.**
- ⚡ Cheshire Community Power appoints representatives to the Coalition's Membership, Committees, and Board elections to oversee the agency's governance and finances.

Customers Ineligible for Automatic Enrollment

- ⚡ Certain customer groups will NOT be automatically enrolled in Cheshire Community Power, including:
 - Customers buying electricity from a third-party supplier.
 - Net Metered customers.
 - Large General Service (Class LG), Backup Service (Class B) and Commercial & Industrial electric vehicle charging station customers (Class EV-2).
- ⚡ If one of these exceptions applies to you, contact us at info@CommunityPowerNH.gov or by calling 1-866-603-POWER to discuss your options.

Key Points

- ⚡ **Most Eversource default electric supply customers will be automatically enrolled upon program launch** in the same service for a lower price.
Cheshire Community Power will be the **new default electricity supplier** for customers in participating towns.
- ⚡ **Participation in Community Power is voluntary.** Customers can choose to opt-out and to stay with Eversource for electric supply, or shop for another market option.
- ⚡ **Eversource will continue to deliver electricity** using their poles and wires, provide billing services, and ensure reliability.
- ⚡ **Customers shopping with third-party suppliers will remain with their supplier** unless they choose to opt-in to Cheshire Community Power.
- ⚡ **Cheshire Community Power is self-funded** by rates paid by participating customers. **No taxes will be used to cover program expenses.**
