ABSENTEE BALLOTS

If you will be out of the country on Election Day and would like to vote, please call the Town Clerk's office at (603) 563-8859 ext 3, or email us at townclerk@townofdublin.org for more information.

If you are not out of the country but cannot get to the polling place on voting day, you may be eligible to vote by absentee ballot. New Hampshire law requires that you vote in person at the polling place for your town unless you declare one of the following absences:

You will be absent on the day of the election from the town where you are domiciled;

You cannot appear in public on Election Day because of observance of a religious commitment;

You are unable to vote in person due to a disability; or,

You cannot appear at anytime during polling hours at your polling place because an employment obligation requires you to remain physically at work or to be in transit to or from work from the time the polls open until after the time the polls close.

You can get the application for an absentee ballot from the Town Clerk's office, from the town's website, or you can print one from the NH Secretary of State's website, https://sos.nh.gov.

If you are eligible to vote by absentee ballot, once we have the ballots available and you have filled out the application, you can make an appointment to come and fill out your absentee ballot during the Town Clerk's business hours before Election Day, or you can fill it out at home. If you want to have the ballot mailed to you and/or you will be mailing it back, please allow plenty of time for it to get back to the Town Clerk by Election Day. If you will not be returning your absentee ballot by mail, it must be returned **in person** by 5:00 on the day **before** the election, or by a parent, spouse, sibling, or child by the day of the election. The Town Clerk's office will only be available until 5:00 on the day before the election (which will be a Monday) and will be closed on the day of the election.
