Before the construction of any driveway, entrance or other access-way, this application shall be filed and approved. Standards for driveway construction are in the Dublin Drive Regulations and Subdivision Regulations and are attached to this application. These standards apply to all driveways in Dublin, whether they are located on State or Town or Private Roads.

"I have read the Driveway Standards of the Town of Dublin and understand that failure to comply with these standards, or failure to complete construction of this driveway within one year of the date of approval of this application shall render the permit null and void."
