

Town of Dublin
Board of Selectmen's Meeting
Monday, February 10, 2020

Present: Dale Gabel, Walter Snitko, Chris Raymond, Sherry Miller

Selectmen reviewed the correspondence file.

Dale called the meeting to order at 4:00 p.m.

4:00 p.m. Roger Trempe

Roger reported that all equipment is back in service, the final cost for the frame repair came in at \$43,971.59. It was suggested to Roger to try and hold back on the use of sand, as there seems to be an excess on the roads. Roger agreed and said that he has dialed it back. Dale said that Roger and the crew have been doing a great job, and the Board is glad to have all the staff back.

4:30 p.m. Tom Kennedy

The Board reviewed the estimate received from WD Matthews to repair the forklift. The Board would like Tom to get an estimate from Mike Richardson, as the repair could be done at the Highway Garage which would save us the transportation fee. Tom said he will need to rent a forklift from someone. Dale was aware and if Mike can do the work for less than what WD Matthews is estimating, then we can just rent the forklift from them. Dale moved to have Tom proceed with emergency repair with WD Matthews if we don't get a response from Mike by tomorrow morning. Walter seconded. Vote 3-0ⁱ
